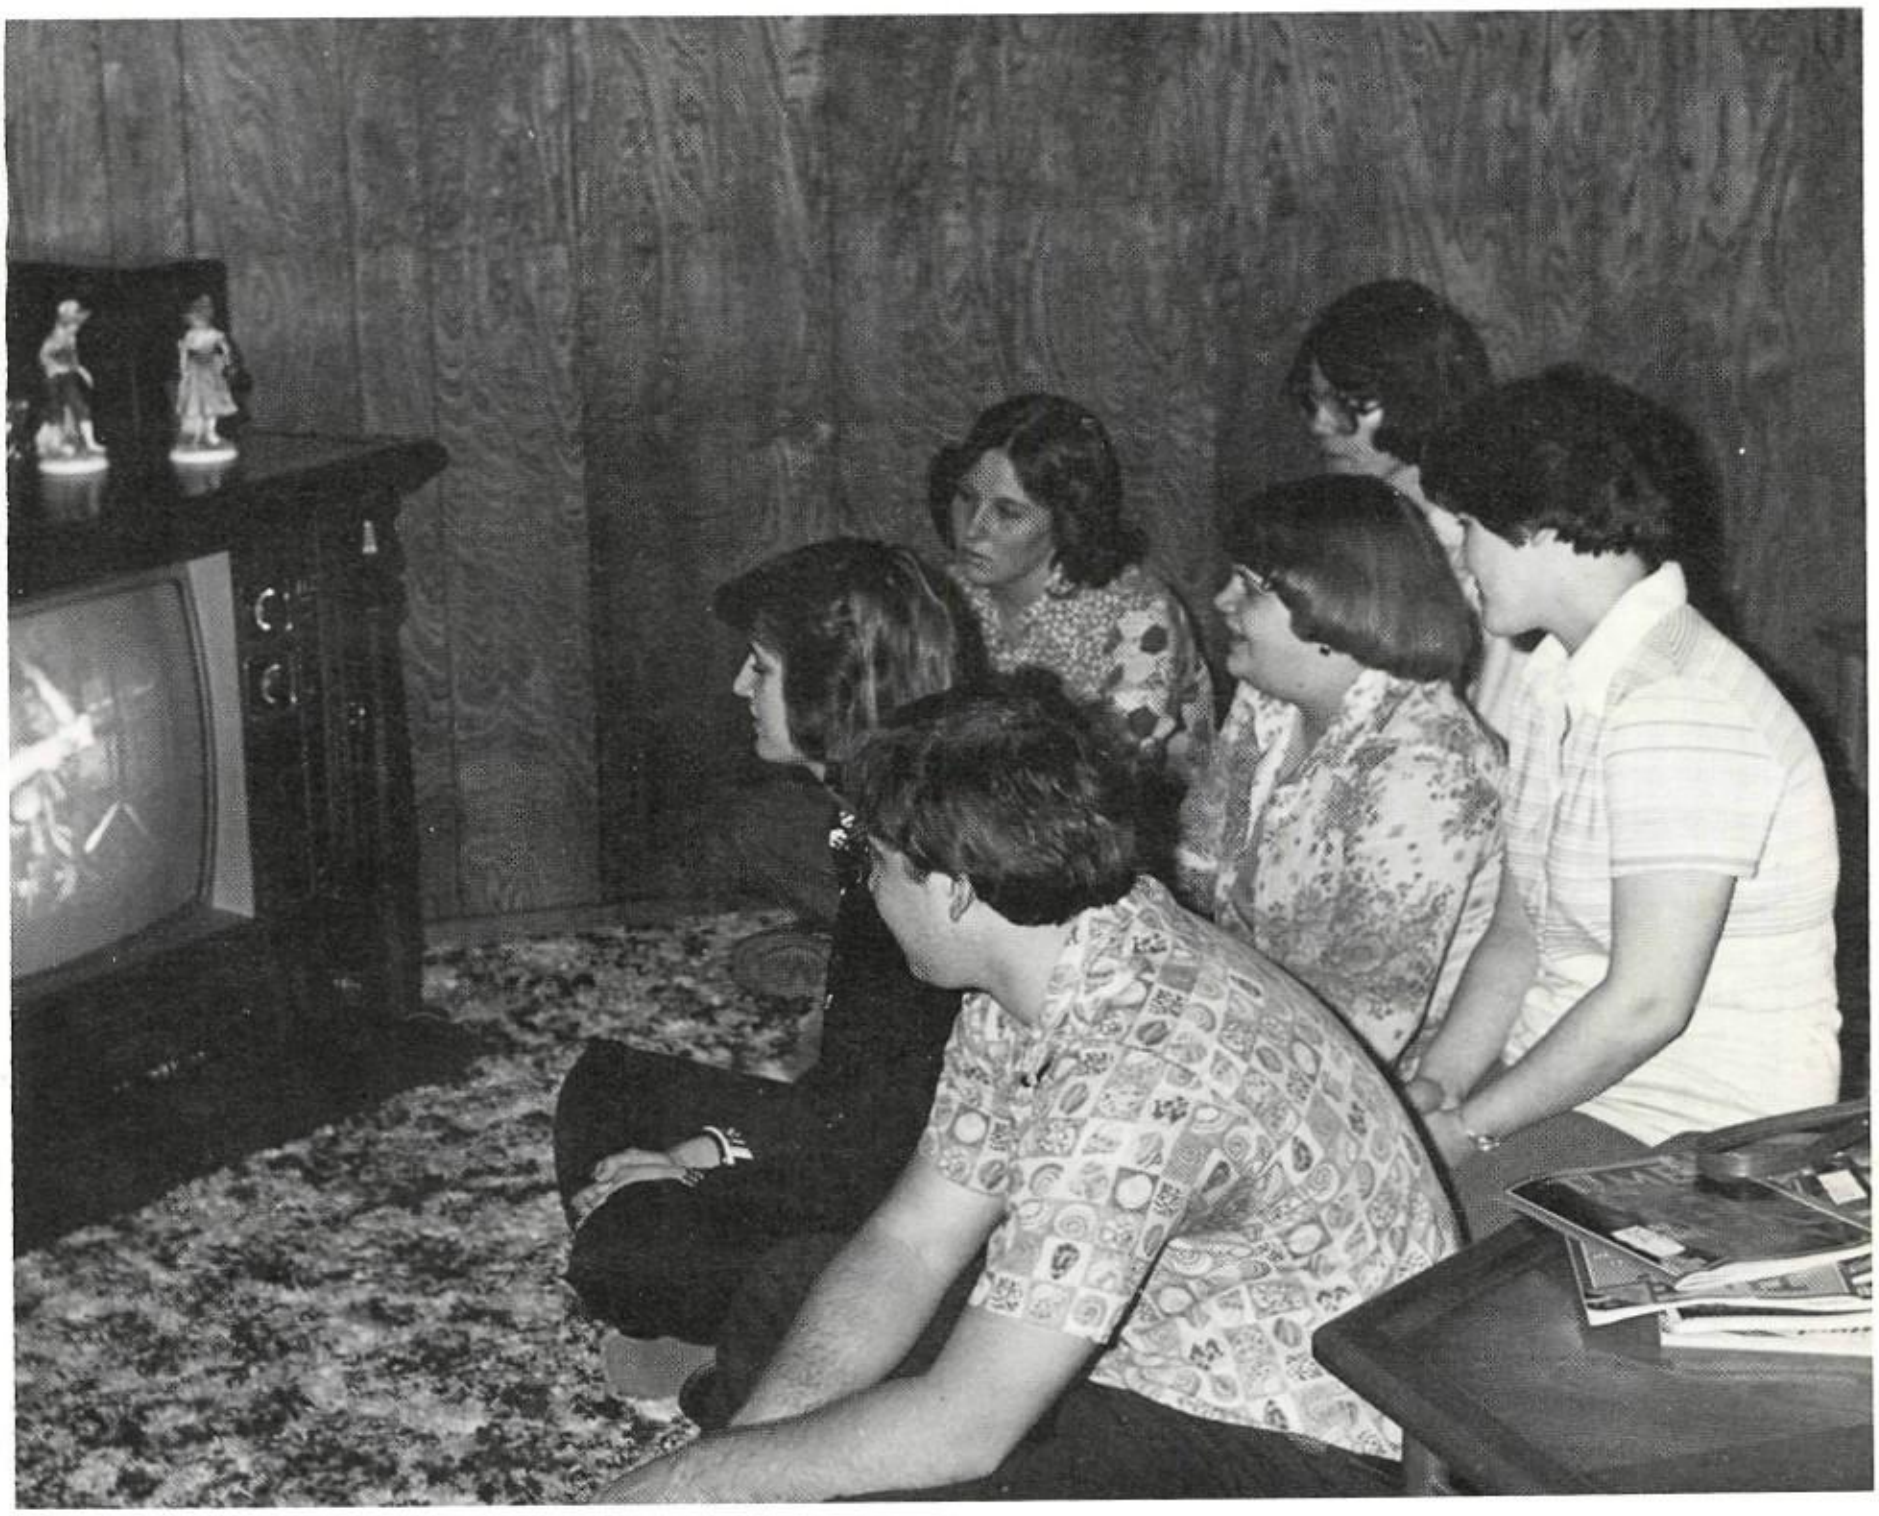
The Steer

Volume 49



Graham High School

Graham, Texas

The Steer Annual Staff viewed the events of the 1977-78 school year and tried to preserve through pictures and stories all the primetime events of the year. As you turn through the pages of this yearbook, you can read about everything from the book mix-up to the victory at Iowa Park, from Senior Memories to Matt Barnhill being named Valentine Sweetheart, up to and including the climax of the year, Graduation.

In years to come we hope you can be transformed to this same time, same place, and same channel and relive the moments of your 1977-78 school year and reminisce.

Summer Ends

Practices and parties filled the last days before school started. Preparing for the football season, players and coaches began one-a-days early in August. Cheerleaders finished painting game signs, and the Pep Squad practiced new routines. Before school got under way, students took one last look at the 1976-77 school year when they received their annuals.

Registration day finally arrived even though it was delayed one week. This year students were not faced with the mad rush of the usual registration day. For the first time students' schedules were assigned during the summer.

Clubs Meet

The cool breezes of September were slow in arriving as the temperatures reached past the 100 degree mark. However, these temperatures didn't slow down the clubs as they met for organizational meetings throughout September. The times and places varied from Elijah's Restaurant at 7:00 a.m. to the girls gym at 6:00 p.m.

Club business was put aside when school business had to be attended to, however. Juniors placed orders for their senior rings and the traditional flag raising ceremony was held.

Spooks Appear at GHS

October, a month of spooks and witches, brought more than goblins to GHS. Early in the month the Y-Teens held their annual Father-Daughter Banquet and the Library Club had their Book Fair. This year the Fair made more money for the club's trip to state convention than ever before.

The close of football season brought the announcement of the band sweetheart, Rhnea Clinton and the end to a great many injuries. There was a time in October when it was not at all uncommon to see someone coming down the hall wearing a cast, a bandage, or a brace.

Our Town Presented

The month of December was highlighted by the senior class production of OUR TOWN. The play, characterized by the stage manager's narration and the limited scenery, took place in Grovers Corners, N.H. at the turn of the twentieth century. It follows the life, marriage, and death of two typical families — the Webbs and the Gibbs. Mr. Jack Cody directed the play.

Snow Brings Vacation

February is normally a short month but it was even shorter for us this year when the weather turned suddenly bad and snow storms caused school to let out for four days.

Valentine's Day brought festivities all over school. To start the events, the canteen held their annual Valentine's dance. In a special Y-Teen meeting at Woodland School, Diana Redden was crowned Queen of the Valentine Court. Girls Work Hard During Year

"The girls worked harder than any team they played," commented Coach Rupprecht when asked about the 1977-78 girls basketball team. The girls never had a free moment with workouts first period and after school. Although Coach Rupprecht's first girls' basketball team had few victories, he feels that they have much potential for the upcoming years. Two freshmen on the varsity team, Carla Myrick and Andrea Tate, were named honorable mention on the All-District Team.

Steers Play Ball

The Steer baseball team, the first since the early '60s, had a successful season as they were just barely edged out of the first-half title by Weatherford. In the second half of the season the Steers hit a skid that eliminated them from any title hopes; however, they finished the season up strong as they crushed Stephenville 12-6 on a grand slam homerun by Charles Casey and a two run shot by Jerry Baker.

During the season Charles Casey and Jerry Baker hit two homeruns each, while Tom Pitcock and Bobby McCool each hit one homerun.

The boys were under the direction of Coach Jimmy Hogan.

Clubs Make School Fun

Graham High School has a club for everyone whether a student's interest lies in farming or French. Some clubs such as FTA, Thespians, and FCA offer membership to the entire student body. Membership is gained only through academic achievement in honorary clubs such as National Honor Society and Quill and Scroll. Student Council differs from either of these categories. Representatives to Student Council are elected. No matter how membership is gained, all the clubs help to make the school year fun as well as educational.

April Brings Spring Sports

Spring sports started off on a good note as Graham placed second in the P-K Relays. The track teams took district honors and advanced to regionals in Denton. The girls golf team, in their first year to qualify, advanced to regionals where they placed third.

The tennis team's season was filled with tournaments. The first baseball team since the sixties was formed and made a fine showing during the season.

Spring Fever Hits GHS

Spring fever reached epidemic proportions during April. Students were busy taking trips, giving blood, and competing in UIL contests.

The Journalism 1 and 2 classes visited Taylor Publishing Company. The language classes went to Sherman and captured top honors in the foreign language seminar.

The language classes were not the only ones to take awards during April. Eight students won district UIL contests and advanced to region in Denton. Three competitors advanced to state in Austin. Paula Epperson and Karen Hankins advanced in the journalism contests and Russell Otter advanced in science.

Girls sports had their moments of fun in more ways than one. The girls athletics teams spent a weekend at Camp David on Possum Kingdom Lake, and the women faculty members, alias O'Day's Angels, competed in a volleyball tournament.

Seniors learned that it was only four short weeks to graduation when they received their announcements.

Campus Alive and Kicking

The campus was alive and kicking during April. The drama class was busy working on one-act plays to be presented at local schools. The UIL one-act play competition was held in Vernon. This year's one-act was entitled "A Game" and cast members captured places in the All-Star and Honorable-mention casts. The Thespians presented their spring production, "Close Encounters of the Thespian Kind."

More banquets filled the days of April as the Quill and Scroll had their installation banquet, and the vocational clubs held their traditional employer-employee banquet.

Seniors Finally "Make It"

All threats of bad weather had cleared for a perfect evening at the Graham Country Club for the Junior-Senior Banquet.

Hurricane lamps and luminaries lighted the way for couples as they neared the club's entrance. With the theme of "Looks Like We Made It" the club was decorated with curtains of silver streamers glitter-accented seagulls and a mirror reflecting ball.

After dinner the couples followed luminary-lighted paths to the T-Hut where they danced under two white parachutes to the music of Bumpin' Butch.

Big Events Close Year

Reading and writing and arithmetic filled the final days of school in May. Students tested their journalistic skills as they worked toward the publication of the senior edition of the *Stampede* and the *Steer Scribbles.*

Besides journalism there was the art show. Several students took top honors in the high school division of art; Lauri Waggoner won first in the city-wide division in photography.

In anticipation of the coming school year, freshmen, sophomores, and juniors pre-registered.

As a relief from the work, the students had an opportunity to attend "The Days in the Old School Yard," the senior memories program, and the annual FFA rodeo.

Band, Y-Teens Busy In May

Members of the Band and Y-Teens didn't have a moment to spare during May.

With only a week to recover from the Junior-Senior Banquet, band members and their dates caught "Saturday Night Fever" at the band banquet. Band members only had a couple of weeks to make last minute rehearsals for the Band Concert.

Y-Teen members were just as busy all during the month. A climax to the Y-Teen year was the traditional overnight trip to Glen Rose, but this year the Y-Teens went to Glen Lake Methodist Camp instead of Tres Rios. At the sunrise service, the officers for the 1978-79 school year were announced. Mrs. Pitcock, Y-Teen sponsor, hosted this year's senior cabinet members with a graduation breakfast.

The DECA members had their moment of triumph in May. At a party, DE students hit Mr. Studley in the face with pies.

Seniors Graduate

Although graduation was postponed four days as a result of the bad weather during winter, commencement finally arrived. The seniors received their caps and gowns early in the week in order to try them on and make sure they had the right size. But all the waiting and primping ended as the band began to play "Pomp and Circumstance," and 126 seniors filed down the aisles.

The seniors knew as they received their diplomas that although they were ending a part of life, they were also embarking on new and more exciting experiences.

After all the seniors had received their diplomas and the Alma Mater was sung, the graduates excitedly threw their scrolls.
